May 11, 2000

North Hampton Heritage Commission

Present: Anna Pike, Priscilla Leavitt, Barbara Hobby, Pam Schwotzer, Lloyd Sullivan and Jane Palmer.

Minutes were reviewed and accepted.

Because none of us had received our letters of appointment/re-appointment, we could not conduct any formal business. Election of officers will have to be at next meeting.

There was a discussion about Old Home Day and distribution of brochures with comments whether or not we should charge for them.

Selectman Sullivan will get the sectional maps of the town map which will be kept at the library.

Pam spoke to the need of one newsletter for town and school.

Meeting adjourned.

Respectfully submitted,
Jane Palmer
